## ***Summer 2014 Horse Day Camp***

---

Join us this summer for a fun and educational combination of horses, riding, learning & friendship! Our camp will include riding at least once daily along with many other activities. Education and personal growth is a huge part of our barn and riding camp. Learning new skills and building new friendships with people and animals help to build self-esteem. During our sessions, campers will experience fun activities both on and off the horses. Our campers will learn about horse care, riding, tack & equipment, stable management, nature walks, arts & crafts, water fun and **ESPECIALLY LIFELONG FRIENDSHIPS.**

We teach all levels of horse enthusiasts. We teach western & english style riding for all levels of riders. Each student will experience riding lessons and work toward some trail riding and other riding activities. We strive to meet every level of our rider's needs and goals.
