## **October 7, 2017 Fall Trail Challenge Description & Rules**

### **Overview:**

Our Trail Challenge is a way to promote good horsemanship skills and provide an educational experience for riders, horses, and horse lovers of all levels. The Challenge tests both horse and rider on their ability to work together as a "TEAM" and navigate through obstacles which may be experienced on the trail. The goal of this challenge is to improve the relationship between horse and rider by introducing them to new experiences as a Team. Each Team will encounter various obstacles and sometimes challenging trail situations, which will better prepare both horse and rider to negotiate with accuracy.

Each Team will be judged on how well the horse and rider work together to get through each obstacle. Judging will be based on how each Team negotiates each obstacle with calmness, patience and safety. The Team should demonstrate the ability to work their way through each obstacle.

The judge has the right to ask the rider to pass an obstacle if he/she feels it will be unsafe. Control of the horse must be maintained throughout the event. Judges will be happy to answer any questions or demonstrate each obstacle. This is an educational experience, so each Team can have the opportunity to understand what is being asked of them.

Teams are limited to three (3) refusals at each obstacle, or a maximum of three (3) minutes to successfully navigate the obstacle. Judges have the right to ask the Team to move on to the next obstacle. Riders are encouraged to attempt an obstacle, as no attempt will equal a zero (0) score.
